<GOAL>

PHP/Laravel developer with over 10 years of experience creating efficient solutions for national projects. Passionate about backend development, yet comfortable handling frontend challenges when needed. I'm seeking remote opportunities to leverage my Laravel expertise, collaborate with global teams, and continue to grow professionally.

<WORK EXPERIENCE>

- 2019- Now** METROTEL
IT Development Analyst
Working on the migration of all the company's systems by analyzing the existing source code and developing solutions in Laravel.
- 2013 - 2019** MINISTRY OF SECURITY
Semi Senior Web Developer
Developed multiple projects primarily using Laravel, while also handling front-end tasks with HTML5, CSS3, and libraries like jQuery, Vue.js, and Bootstrap.
- Since 2009** FREELANCE
Developed systems, web pages, and APIs in PHP, working both independently and as part of a team on various projects.
